## Drink Coca-Cola

The Standard Beverage

Imitations of COCA-COLA come and go—none last more than a few seasons. This has been going on for 29 years—yet COCA-COLA, unchanged in name or self, keeps its old friends and makes new ones.

Demand the genuine by the full name that has inspired so many imitations.

## Grandma Used Sage Tea to Darken Hair

She Mixed Sulphur With it to Restore Color, Gloss, Thickness.

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggy and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautiful dark, glossy, soft and luxuriant.

## PROBABLY ESTABLISH SCHOOL INSPECTOR

MR. BROWN STATES THAT CONDITIONS VERY FAVORABLE

INTERESTING WORK

This Inspector Will Visit Schools and Give Assistance to the Teachers.

Mr. George D. Brown, state inspector of mill schools, who is spending this week in the city, stated yesterday afternoon that the prospects were good for the establishment of the office of mill school inspector in Anderson. Yesterday Mr. Brown visited the Equinox, Towaway, Riverside, Brogon and Anderson mills.

Mr. Brown stated that he was meeting with much encouragement on the part of the mill presidents and superintendents and that they seemed anxious to have anything done that would add to the comfort and enlightenment of the operatives.

When asked how the mill schools at Anderson compared with those in other places which had been visited Mr. Brown replied that they were just as good if not better here than anywhere else and that the buildings were better.

Mr. Brown stated that the people seemed especially anxious to have the office of mill inspector established here. The duty of the holder of this office will be to visit the mill schools, give instructions in industrial work, domestic science, sewing, help the teachers in their problems, create interest and assist in keeping up the community and school gardens.

## HOME COMING DAY AT PELZER SATURDAY

Elaborate Plans Being Made for Occasion—Old Fiddlers' Convention.

Pelzer, Aug. 4.—The annual Home Coming Day at Pelzer will be Saturday, August 21st, 1915. Plans are being made for the greatest day yet. Amusements will be furnished from 8 a. m. to 11 p. m. Old Fiddlers' Reunion, grand parade consisting of the military company, boy scouts, band and old soldiers, ending with a big sham battle at the baseball park; horse racing, foot raling, of all kinds; slack wire walking and numerous other attractions with nice cash prizes for the winners are to be mentioned among the pleasures for the day. Two games of ball will be played between the two best teams in the upper section of the state, Pelzer vs. Tucaspu. The old Fiddlers' convention and moving picture show at night. Good music furnished throughout the entire day by the Smyth Concert band.

The managers extend to the public a cordial invitation to spend the day at Pelzer with old friends and to meet new ones. Candidates and prospectives should remember that Pelzer is on the line between Anderson and Greenville counties and that thousands from both counties meet here on this happy occasion—everybody welcome. Everybody helps to make everybody happy.

Come on boys of the great old days of the 60's. We are expecting you and we have some of these famous fellows who will make it hard for you to get ahead. They are saving some mighty big ones for you.

"Oh, you fiddlers, never mind the cotton and the hoe. Just pick up your fiddle and bring along your bow. And give us the tune of Cotton Eye Joe."

For any information call on or write any of the following committee: W. C. Pearman, D. E. Waldrop, W. W. Griffin.

## MISS GARLINGTON AT WILLIAMSTON

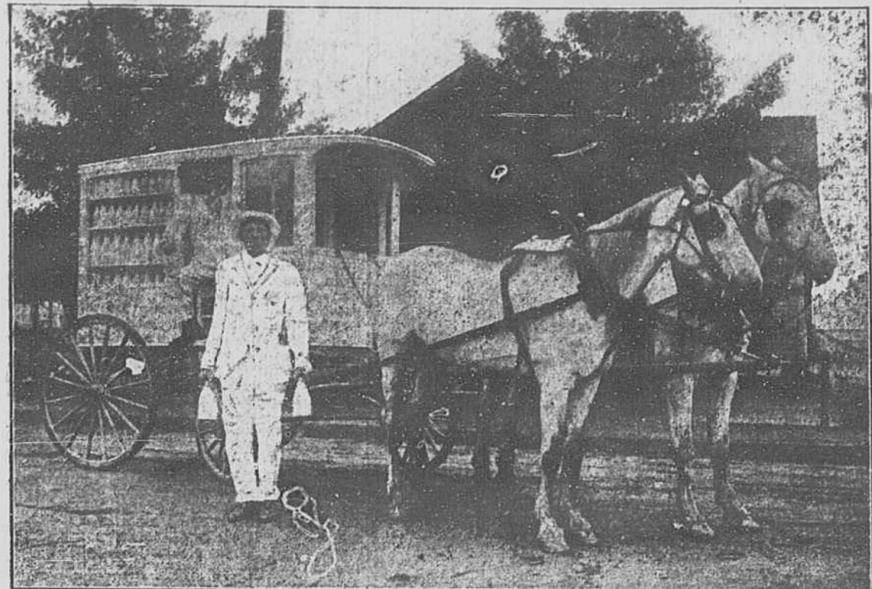

Has Accepted Position There in Connection With Mill Schools for Coming Year.

It will be interesting news to the many friends of Miss Maggie Garlington, formerly rural school supervisor of Anderson county, to learn that she has been selected by the management of the Williamston mills to do supervising work in the schools there.

This work will be somewhat like that carried on at the Brogon mills in this city and will be of great benefit to the schools and to the people at the mills generally.

An attractive bungalow will be built in which Miss Garlington will have her headquarters. Already the lumber is being placed and the building will be completed within a few weeks.

**Meeting at Good Hope.**  
The notice of the meeting of the Good Hope Memorial association which appeared in this paper a few days ago was in error as to the date of the meeting. It should have read Saturday, August 7th. This meeting is always on Saturday, before the second Sunday in August. Those who wish to attend will please take notice of the corrected date.
